## **NON-MASONIC EVENTS**

If a non-masonic event or function has exclusive use of the banquet hall it is considered to be a private event.

Such exclusive use of the banquet hall is covered by the following rules as to rental / charges:

If the event is held in the evening or at a time when Zetland Hall would usually be closed, then room rental is charged at the standard rate of \$3,000 for the first 3 hours, plus \$1,000 per hour or part thereof thereafter.

At other times, room rental is charged as follows:

- (a) If the total spend by the users on food is less than \$9,500, then room rental is charged at the standard rate of \$3,000 for the first 3 hours, plus \$1,000 per hour or part thereof thereafter.
- (b) If the total spend by the users on food is at least \$9,500 but less than \$12,500, then a minimum spend of \$12,500 on food is imposed. Additionally, room rental is charged at \$1,000 per hour or part thereof after the first 3 hours.
- (c) If the total spend by the users on food is more than \$12,500, then room rental is charged at \$1,000 per hour or part thereof after the first 3 hours.

Any departure from the above rules must be approved by the Executive Committee.
