TEMPLE TOURS

Only members of lodges meeting at Zetland Hall may go above the ground floor without the prior permission of the General Manager.

Proposed tours must be booked and confirmed in advance through the Administration Office.

Only the blue room may be viewed.

No tour will be permitted if a Masonic meeting or rehearsal is likely to be in progress in either the blue room or the red room, or if the tour would interfere with the preparations for a Masonic meeting or rehearsal.

The tour must be conducted by a suitably senior and knowledgeable brother.

There is no blanket ban on men joining such tours, but (i) current candidates should not join the tour, and (ii) it is strongly preferred that any person who is known to be a prospective candidate should not join the tour.
